THE DIRECTOR OF  
CENTRAL INTELLIGENCE

National Intelligence Council

21 November 1986

NOTE FOR: DDI  
D/ICS

FROM: Brig Gen Frank B. Horton III, USAF  
C/NIC

Gentlemen,

Since we discussed this, another thought occurs to me and to some of my people. It might make sense to consider going further than the proposal made in the attached memorandum and make the NIC Chairman a co-chairman of the IPC, given the NIC's Community-wide production role. I would solicit your comments. If either of you should not concur, I'll take this no further. On the other hand, should you both concur, I'll add a cover note to this effect on the attached memo as it goes up to the DDCI and DCI.

Very respectfully,

*[Signature]*  
Frank B. Horton III
